NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Pleasantview Fire Protection District, as follows:

Section 1. To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by State, county, city or any public body or any political subdivision or by anyone under contract for public works" approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the Pleasantview Fire Protection District is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Cook County area as determined by the Department of Labor of the State of Illinois as of June 1, 2006. Section 2. Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the Pleasantview Fire Protection District to the extent required by the aforesaid Act.

Section 3. The Secretary of the Board of Trustees of the Pleasantview Fire Protection District shall publicly post or keep available for inspection by any interested party in the Headquarters of this District his determination of such prevailing rate of wage.

Section 4. The Secretary of the Board of Trustees shall mail a copy of this determination to any employer, and to any association of employers and to any such person or association of employees who have filed their names and addresses, requesting copies of any determination, stating the particular rates and the particular class or workers whose wages will be affected by such rates.
